**Questionnaire**

What makes you want to be a promotion personnel?

What traits do you feel are important to have for promotions?

Have you promotion experience?

Promotion personnel are ambassadors for products, how would you present yourself at promotions?

If at a promotion there was a mix up with times, dates, venue or staff, how would you deal with this situation?

*I agree that all information that I have given is correct as best to my knowledge. I agree that I will only be working for Hopkins Communications for promotions. If I am approached by any other promotion companies I will contact Hopkins.*
